Sept 1975 - Present      Senior Manager then Partner in Stephenson Coates, Chartered Accountants

Sept 1971 – Sept 1975      Articled Clerk/Audit Senior at Peat Marwick Mitchell & Co.

As a Partner in Stephenson Coates for the past thirty-one years, I have had extensive involvement in a wide variety of Financial Consultancy positions across a broad range of clients.

I have acted as an Expert Witness for twenty-five years in a wide variety of cases. My varied engagements have involved valuation of businesses, and detailed analysis and extrapolation of information from accounts and financial statements, as well as computations of loss of income and earnings within various scenarios.

In 1998 I became a Member of the Expert Witness Institute and have subsequently prepared a considerable number of reports, some of which are in respect of ongoing cases, and have given evidence in the Royal Courts of Justice in London as well as other Courts. I have trained and acted as a Single Joint Expert.

I provide four levels of service:

- A brief review of a case on a no-cost, no-commitment basis in order to advise whether I consider the case to be viable and to give an estimation of my costs.
- A report advising on the financial pros and cons of a proposed case at a fixed fee.
- A report to the Court which is fully compliant with the Civil Procedure Rules.
- Court appearance when required to be cross-examined on my report.

I provide a prompt and reliable service, combining authoritative analysis with good presentation and courtroom skills, and provide lucid and concise reports and opinions to clients in the fields of forensic accounting, family law, fraud, loss of income and business valuations. Having completed a five-day course I now hold the Cardiff University Bond Solon Expert Witness Certificate.
